3form[®] SLIDE[™] OPENING POSSIBILITIES

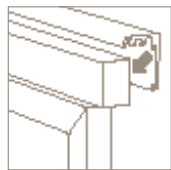

Introduce beauty and functionality to your openings and doorways with 3form Slide[™]. This versatile family of sliding doors provides fine-tune adjustability, precision-engineered bearings, and a refined design that looks as impressive as the materials that it holds. Slide[™] is available in either wall mount, ceiling mount, or floor mount applications, giving you the freedom you need to design the ideal opening for your project.
